Subject: Following up on voicemail re UIC wells in California

Hi David,

I called you this morning to follow up about the list of permitted wells that DOGGR sent to EPA. DOGGR's website now includes that list, but thank you very much for offering to send it to me. Are there any other public documents related to these wells that DOGGR sent EPA? If so, I would appreciate it if you could share those with me.

Thanks for your help and have a great weekend,

Adenike
